

Do you think your systems and processes will meet the regulatory requirements for eArchiving of eTMF?

- No, we have significant work still to do
- Not yet, but we know what we need to do
- Yes, we have it under control

Do you **STILL** think your systems and processes will meet the regulatory requirements for eArchiving of eTMF?

- No, we have significant work still to do
- Not yet, but we know what we need to do
- Yes, we have it under control
